Targus

Product Specification Sheet

Targus A7™ 10.2" Netbook Slipcase

Part #: TSS109EU

Product Description:

The Targus A7 10.2" Netbook Slipcase is designed to protect 10.2-inch netbooks from scratches and dust. The heavily padded interior features the Tri-cell Cushion System™ which combines additional foam padding with mesh material for ventilation. The exterior features neoprene material with an industry-grade tarpaulin gusset around the edge which is highly durable and water-resistant. If used inside of another case, the A7 slipcase provides an additional layer of protection from scuffs and wet weather. The slipcase can also be used alone when transporting a netbook between classes or meetings.

Product Features and Specifications:

- Protection – Designed to protect up to 10.2" netbooks
- Function – Helps protect against scuffs and dust
- Material – Durable neoprene and industry-grade tarpaulin materials are water-resistant
